HEMP/CANNABIS SATIVA OILS are becoming the new "in" health supplement in Knysna. (research: "endo cannabinoid system"). Please though, while your minds are opening up, don't let your brains fall out. Sales people will say anything to make a sale including that their cannabis sativa is completely different from cannabis sativa.... Around 1000 people per day are being arrested for same plant, and it is still illegal. Those who profit from the plant should also support the activists who are fighting for your rights. M.N.
